The name Nordheimer has been intimately associated with the musical development of Canada for over sixty years. During all these years the House of Nordheimer has maintained its business upon the highest possible plane of manufacturing ability and commercial integrity. The Nordheimer Piano has kept pace with the growth of musical taste and advancement of Canadians, and to-day has few compeers in the world.

### The Nordheimer Piano

Is recognized to-day as a strictly first-class artistic piano. The tone of the Nordheimer Piano has always been distinguished for its grand volume, delightful singing and sympathetic quality, great carrying power, brilliancy, purity and wonderful durability.
